

This is one “CELL”

These are all suggestions, make new rules, add more dice, that's generative art in a nut shell — experiment

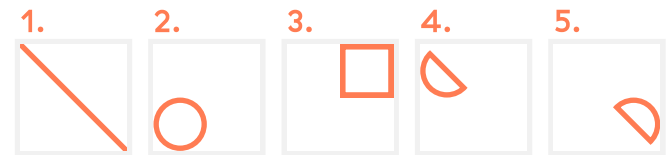

Hand made

Generative Art

What you need:

- A dice (or similar)
- A pen and this sheet
(or put this pdf into some drawing software!)

Roll the dice, then based on what you get, follow the rules below and fill in the sheet.

If you get a number 6, start drawing in the next 'CELL'
